

Reliable Garage Doors and Openers

Newport

One of our most cost-effective garage doors. Comes in woodgrain or smooth finish and a variety of colours to choose from.

Recommended Opener: Focus or Precision

ECONOMICAL

Allegra

A visually subtle door choice with a single fine horizontal line through the centre of each panel, the Allegra complements the horizontal nature of both brick & weatherboard claddings.

Recommended Opener: Precision

STYLISH

Camden

Smooth, sleek and stylish. Available in a wide range of colours, it is manufactured from pre-painted steel for enhanced strength and corrosion resistance. The Camden's fine ribs produce a modern look that is a perfect choice for most home designs.

Recommended Opener: Precision

POPULAR

Aspen

The Aspen flat panel sectional door provides an economical, sleek look to modernise the front of any house.

Recommended Opener: Precision

Go Premium: Upgrade to a Sierra for a more consistent, flatter door with a heavier steel gauge and add Smartphone Control with a Genius opener.

MINIMALIST

Nevada

If you're looking for a stylish modern design, Nevada is one of the best looking garage doors you can buy. Bold negative detailing gives your home street appeal that will make your property stand out from the crowd.

Recommended Opener: Precision or Genius
